

April 2010

Congratulations!

As a result of the exceptionally positive feedback we have received from our customers about your restaurant over the past year, we are delighted to present you with a **toptable Gold Award**. This is a genuine accomplishment - toptable visitors left hundreds of thousands of reviews in the last 12 months and we're delighted to say your restaurant achieved the highest rating.

Please find enclosed your Gold Award sticker. This acts as a real endorsement for your restaurant and has been shown to attract new customers. It's our job to make it easy to book your tables, so **please display with pride**.

We are delighted to be working together with you this year, promoting your restaurant and bringing you new customers. It's been a tough year for the industry and we remain fully committed to growing our businesses together.

You may also find it beneficial to put a "book a table on www.toptable.com" link on your website. With over three millions visits per month, you're part of Europe's largest restaurant community. Please download your online Gold Award graphic at www.goldaward.toptable.com

Best wishes for the year ahead.

Warm regards,

Karen Hanton
